How to Request Public Records

The person to whom all requests should be made is the Records Access Officer of the Board of Elections in the City of New York.

Requests for Public Records should include the requestor’s name, postal address, email address (if available), whether the request is made on behalf of the requestor or another entity/organization and the name of the entity, if applicable, a description of the records requested, the time period of the records, the subject matter, the bid number, if applicable, and the format to receive records (electronic or paper copies). This will allow the Records Access Office to more easily locate the records you are seeking. Please note, some requests may involve additional charges.
